# Out of this World Snack

Make a snack for your next school party that will have people thinking it came from another planet!

### Supplies:

7-colors of Jell-o (you need two of each color, or one large box of each color)  
2-containers of whipped topping  
20-10oz clear plastic cups  
Tray or large pan to hold the cups  
Space in your refrigerator that will hold the tray and cups

### How to make it!

1. Set the clear cups on the tray and place it in the refrigerator
2. Choose your first color of jell-o and make it according to the directions on the box. If the jell-o has quick set directions follow them.
3. Use a measuring cup to put  $\frac{1}{4}$  cup of jell-o into each of the clear plastic cups. (set the extra jell-o aside)
4. Place the jell-o in the refrigerator for about 15 minutes
5. Take the left over jell-o of the color you just poured and add two table spoons of whipped topping and mix with a spoon.
6. Remove the jell-o cups from the refrigerator and add about two table spoons of the whipped jell-o mixture on top. Place back in the refrigerator.
7. Follow steps 2-6 with each color. It is important to make sure the jell-o sets in between each color use a timer and be patient. The results will pay off.

### Other Ideas

- Alternate school colors for a class party
- Make a jell-o rainbow on a rainy day
- Put gummy worms or other candy between layers
