

Create an ALIEN!

The directions below help you create a one of a kind alien. All you need is some paper, dice, and some coloring supplies. Let your imagination go WILD.

Directions: Roll the die for each category to figure out what your alien will look like. Circle the trait that your alien gets for each category so that you can keep track.

1. What shape is my alien? ROLL

2. What type of skin does my alien have? ROLL

3. How many legs does my Alien have? ROLL

Multiply the number you roll by 2 and that is how many legs your alien has!

4. How big is my Alien? ROLL

5. How many eyes does my alien have? ROLL

The number you roll is the number of eyes your alien has.

6. What type of teeth does my alien have? ROLL

7. What habitat does my alien live in? ROLL

Now use the traits you rolled and your imagination to draw your alien! You can draw its habitat and what you think it might like to eat. Don't forget to give your alien a name! Would you like this alien as a pet? Why or why not? **Answer the questions below about your alien! Use words or draw a picture.**

1. Is your alien an

Herbivore,
(plant eater)

Carnivore,
(meat eater)

or

Omnivore
(plant and meat eater)

2. What is your alien's favorite food?

3. Describe or draw your alien's life cycle.

4. What type of shelter does your alien need?

5. Does your alien live alone or in a group? (pack, flock, pride)

6. What animal on Earth is your alien most like? Why?
